THE STATE OF NEW HAMPSHIRE
TOWN WARRANT

To the Inhabitants of the Town of Deerfield in the County of Rockingham in said State qualified to vote in Town Affairs:

[L. S.]

You are hereby notified to meet at Town Hall in said Deerfield on Tuesday, the twelfth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 3. To see if the Town will raise and appropriate the sum of \$2,000.00 to be expended on Mountain Avenue, the State to contribute \$4,000.00.

Article 4. To see if the Town will raise and appropriate the sum of \$963.44 for Town Road Aid, the State to contribute \$6,422.95.

Article 5. To see if the Town will vote to instruct the Selectmen to hire money in anticipation of taxes.

Article 6. To see if the Town will vote to authorize the Selectmen to sell property acquired through Tax Collector's Deeds.

Article 7. To see if the Town will authorize the Trustees of Trust Funds to turn over to the Town the amount called for by the State for the Mountain Avenue Road and to deposit any interest that has accumulated to the Grader Fund.

Article 8. To see if the Town will vote to close the North Cross Road, so-called, leading from the Middle Road to Ridge Road, subject to gates and bars.

Article 9. To see if the Town will raise and appropriate a sum not to exceed \$200.00 to tar the driveways of the Baptist Church, Town Hall and the Parsonage.

Article 10. On Petition of Otis Bruce and nine others to see if the Town of Deerfield will raise and appropriate the sum of \$500.00 for the improvement of the School grounds for recreational purposes.

Article 11. On Petition of Alice C. Smith and twenty-three others to see if the Town of Deerfield will vote to limit the office of Selectmen to two consecutive terms with the privilege of filing after a lapse of one year.

Article 12. On Petition presented by P. E. Pendleton and signed by ten voters to see if the Town will vote to establish a Planning Board of five members with duties as set forth in Sections 1-15, Chapter 36, N. H. Revised Statutes Annotated, 1955, to make a study of the Town's development and report to the Town appropriate recommendations for the promotion and maintenance of the Town's best development. The Board members shall consist of one Selectman and four other citizens appointed by the Selectmen, as provided in Chapter 36, N. H. Revised Statutes Annotated, 1955.

Article 13. On Petition presented by P. E. Pendleton and signed by ten voters to see if the Town will vote to appropriate a sum not to exceed \$36,931.95 for the purpose of making improvements to Class V roads within the Town as selected by a committee consisting of one Selectman, the Road Agent, the Chief of the Deerfield Volunteer Fire Department, one member of the Advisory Budget Committee, and the Department of Public Works and Highways, District Engineer for District No. 6, subject to a review and

final approval by the Commissioner of New Hampshire Department of Public Works and Highways, such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 241, New Hampshire Revised Statutes Annotated, 1955, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of Deerfield.

Article 14. On Petition presented by P. E. Pendleton and signed by ten voters to see if the Town will vote to appropriate a sum not exceeding \$36,000.00 for the purpose of paying its share of the cost of completing the Federal Aid Secondary System in Deerfield, the route of the road to be determined by the Commissioner of New Hampshire Department of Public Works and Highways after a public hearing, notice of which shall be given at least seven days in advance, such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 241, New Hampshire Revised Statutes Annotated, 1955, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of Deerfield.

Article 15. On Petition presented by P. E. Pendleton and signed by ten voters to see if the Town will vote to adopt the provisions of the Municipal Budget Law, N. H. Revised Statutes, Annotated, 1955. Budget Committee. The Budget Committee shall consist of six members-at-large and one member chosen by the School Board and one member of the Board of Selectmen to be designated by

said Board. The members-at-large shall be elected by the Town Meeting.

Article 16. On Petition presented by P. E. Pendleton and signed by ten voters to see if the voters will vote that the Selectmen comply with N. H. Revised Statutes Annotated, 1955, 251:1, quoted below, after holding public hearings at which the names they propose shall be presented for approval. "Street Names and Markers. 251:1 Names; Changes; Signs. In all towns, every street shall have a name which shall be given it by the selectmen. Said names shall be legibly marked on a suitable signboard or other marker and placed in at least two conspicuous places on said street. The selectmen may change the name of any such street at any time when in their judgment there is occasion for so doing. When a change is made in the name of any street the selectmen shall make a return of the same to the Town Clerk, who shall make a record thereof."

Article 17. On Petition presented by P. E. Pendleton and signed by ten voters to see if the voters will vote to amend Article 8 of the 1952 Town Warrant by inserting in paragraph 7. (a) after the word, board, the words, and with the people in open meeting, notice of which shall be given at least seven days in advance, so that the subparagraph as amended shall read as follows: 7. (a) To meet with the selectmen and with the school board and with the people in open meeting, notice of which shall be given at least seven days in advance, and to discuss and advise with them regarding appropriate sums to be recommended to the voters for their action at the regular Town Meeting and School Meeting.

Article 18. To Transact any other business that may legally come before said meeting.

Given under our hands and seal, this day of February, in the year of our Lord nineteen hundred and fifty-seven.

ROBERT B. SANBORN,
HOWARD P. KING,
CARL M. FOGG,
Selectmen of Deerfield

A true copy of Warrant—Attest:

W. C. MAXWELL,

Auditors.

REPORT OF VEASEY PARK COMMISSIONERS

Veasey Park at the present time is the only place on Lake Pleasant where the public has access to the shore of the Lake for bathing and picnicking.

When the people have the use of an area such as this, problems in connection with its use are sure to be present. When these problems are considered, the question comes to mind to what extent does the town wish to develop this tract as a recreational area. With the increase in our Town and School Budgets which are bound to occur from year to year can we afford to foster a program which may add to our financial burden? The future of the park as we see it, is one that would see it used for a picnic area and for bathing. There are great possibilities for developng the area along these lines. In addition to the grove which borders the lake the entire area is covered with growth. This growth if rightly managed would provide many desirable picnic sites.

There is ample space to erect a suitable bathhouse and install suitable sanitary facilities. Veasey Park with the improvements mentioned could become a beauty spot on the lake and a credit to the town. If and when the town feels it can afford to develop the park along these lines, the question of administration arises. Buildings must be cared

for, the area must be policed, and the waterfront kept clean and attractive. These items of upkeep require personal supervision. We also have the question of use. One of the conditions under which this tract is town property is, that it is for the use of the public. The question of exclusive use of the grounds by townspeople involves the question of use of the area by those outside of town.

As we see it, if this area is developed as we would like to have it, that we as Deerfield people may continue to enjoy its use, there would have to be adequate supervision. This supervision would take into consideration the possibility of an admission fee or a suitable parking fee to those outside the town. If bathhouse facilities are provided there again attendants would be necessary. Those who were in charge of collections, and the bathhouse attendants could in their spare time police the grounds and see to it that patrons observed such regulations as apply to areas of this kind.

It would be to advantage of all concerned that if these things should be approved by the town, that a suitable entrance should be made and that during the time the park is not open for use, that this entrance be closed and kept locked.

Respectfully submitted,

CARL M. FOGG,
LESTER E. MAYNARD,
WALTER B. SCOTT,
Park Commissioners.

REPORT OF FOREST FIRE WARDEN

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your town report.

Sincerely,

R. W. SMITH,
District Fire Chief.

* * * *

YOUR TOWN DUMP

USE IF FREELY

CARE FOR IT

Your town dump has been set up for your personal convenience. It provides a suitable place where you can dispose of the large amounts of dangerous, inflammable waste material and other useless items which accumulate around your household and local stores, brush, etc., cut on your property. The town dump has become a valuable and indispensable asset in modern community life.

The most successful town dumps are supervised—regular days provided for their use and inflammable material consistently burned. The town dump which receives no attention, where waste material is scattered about without supervision of any description, soon becomes a community menace and a liability rather than an asset.

Many people still burn debris around their homes. A large number of such fires get out of control causing unnecessary damage and expense to the burner. Why burn at home? Make use of your town dump and eliminate the hazard of burning. It will be easier for you — personally and financially.

If, however, you do burn on your premises

1. Secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty.

USE YOUR DUMP FREELY

HELP KEEP IT SAFE

Number of local fires	1
Number of acres burned	1
Number of permits issued	11

R. W. SMITH,
District Fire Chief.

WILLIAM R. CRAY, Jr.,
Forest Fire Warden.

REPORT OF CIVIL DEFENSE DIRECTOR

During the past year—in preparation for a national or local emergency—Your Civil Defense Director has

1. Established a skeleton organization to become operational upon the declaration of an emergency.
 2. Appointed key personnel to take over responsibilities within the organization.
 3. Increased the number of personnel sworn in to function within the organization to 33.
 4. Prepared and circulated, through the courtesy of the Hoague Batchelder American Legion Post, No. 103, operational directive which will become effective upon declaration of an emergency. This directive fixes responsibilities and delegates authority to key personnel; and establishes the initial regulations under which the town will operate when an emergency is declared; and locates the various headquarters from which operations will take place.
 5. Participated in two state-wide national alerts, and one local test alert.
 6. Procured legal arm bands and automobile insignia for personnel of the Deerfield Civil Defense Unit.
- Recommendation:

It is recommended that the town continue to set aside \$100.00 each year for utilization of the Deerfield Civil Defense to be used for the procurement of

- a. Short wave portable radios—Walkie talkies for use in emergencies to include local forest fires and police action.
- b. Generators to support key town requirements in the case of an emergency.
- c. Such other emergency items as may be necessary and available through surplus property disposal or Federal aid.

ROLAND C. BATCHELDER,
Director Deerfield Civil Defense.

MURRAY H. WATSON,
Superintendent of Schools.

Deerfield, N. H., January 1, 1957.

THE STATE OF NEW HAMPSHIRE
SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Deerfield, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 9th day of March, 1957, at 1:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing two years.
4. To choose a Member of the School Board for the ensuing three years.
5. To choose a Treasurer for the ensuing year.
6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
7. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
8. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
9. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of statutory obligations of the district as determined by the school board in its annual report, presented to the Advisory Budget Committee, and approved by them.

10. To transact any other business which may legally come before this meeting.

RUTH B. PENNELL,
RALPH N. CHASE,
LEONARD T. BURRITT,
School Board.

Unless otherwise voted by the district, the articles in the warrant will be taken up at 2:00 P. M., with the exception of the election of officers, which will start at 1:00 P. M., as stated.

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

February 1, 1957

To the School Board of Deerfield, New Hampshire:

May I present my tenth annual report of the school and school children of Deerfield and at the same time thank the Board for its kindness and understanding of the educational problems which we have been able to solve during the year. It is a great pleasure to be working so harmoniously in the face of strong criticism whether justified or unjustified.

The children of the George B. White School as well as the parents were very fortunate in being able to continue the majority of the teaching staff. Out of four teachers, three returned. Mr. Charles F. Griffin moved into the principal's position, Grades 7-8; Miss Joan Converse continued in Grades 3-4; and Mrs. Hazel Stevenson returned to Grades 1-2. Mr. Charles Thorne of Strafford was the new man elected to teach in Grades 5-6. As a personal observation over a period of a number of years, there is no doubt in my mind that the school is well-staffed and as far as I am able to judge, credit should be given in great part to the chairman, Mrs. Ruth B. Pennell. It is because of her own experience as a teacher and the routine necessary in the profession of which she has been a part, that the administration and educational procedures have been exemplified in a smooth operating system with a minimum of lost time to the children and the taxpayer.

Probably one of the most important problems which the school must face within the next 3 to 5 years is expansion. According to the records, the school has registered 137 children up to the half-way mark. Census figures do not show any signs of this number being reduced, at least for the next

five years. Every room has registered over 30 pupils with Grades 7-8 and Grades 1-2 the largest. Of course, pupil growth will fluctuate from grade to grade, but will always be on the upward swing. Suppose that within the next five years 25 pupils are added to the school and distributed more or less evenly in the eight grades. The total would be over 150 children and each room will have over 35 with two rooms over 40. When such a problem occurs, it is then that teachers will be even harder to hire and salaries, instead of being from \$3,200 to \$3,600, will be \$4,000 and more. By that time the present basement will have to be converted into classrooms or more rooms added to the building. This school problem will be with us for a long time and as the nation grows so will the population of Deerfield and other similar towns.

Again this year we are confronted with an increased budget. In studying this important document one cannot but wonder what the ultimate total will be, say, 5 to 10 years in the future. Let us look back over a period of 10 years — to the budget of 1948-49. This budget called for a total of \$18,413. The budget for 1957-58 calls for a total of \$46,661.86. The difference is \$28,248.86 — an increase of over \$28,000 in 10 years. Can we look into the future and say that the budget for 1967-68 will be over \$75,000? It is possible and even probable that it will be close to \$90,000. When you compare the financial growth of the United States and the State and talk in terms of millions and billions and see the predictions based on actual costs, you may not be able to visualize this financial growth, but at least we do know that all the towns and cities in the country will have to step up their economy to stay within the realm of progress. And in this upswing, education will be right in the middle.

The 1957-58 budget has two items which total \$28,000 — teachers' salaries and tuition. A third item is transportation

which is \$7,500. These three items will total \$35,500.00. By studying the budget further you will note that there are seven items which call for over \$4,000 which the school district as a single district has very little control — Per Capita Tax, Superintendent's Salary, General Administration, Salaries of Other Administrative Personnel, Insurance, and the outstanding debt and interest. This leaves approximately \$6,000 for Salaries of District officers which has been reduced in recent years; Books and Supplies which must increase with enrollments and costs; Janitorial Services; Fuel and Heat; Water, Light, and Janitor's Supplies; Repairs and Replacements; Health Supervision; Retirement which is based on the salaries of all the hired persons in the districts connected with the school; Additions and Improvements, which are necessary to the maintenance of all capital investments; and New Equipment.

As you can readily see, when the budget is analyzed, there are many factors involved which do not always show on the surface but which are necessary to the operation, maintenance, and education of your children.

The Board has tried to preserve the school plant by making repairs and replacements, not only of a minor nature such as painting, but also major repairs such as those to the furnace which were needed immediately. Other items which have been corrected include repairs to the kitchen and basement. Thanks is hereby extended to the Parent-Teachers Association for the bubbler installed in Grades 1-2 which, as all teachers will testify, reduces wasted time in leaving the classroom especially on the primary levels. If you were to visit the school you would see that the flags — national and state — have been hung over the steps in the corridors. This is another gesture which deserves commendation.

As time develops and the number of children increase, certain recommendations seem to be needed for the best in-

terests of the school and town. The Board should, in my opinion, make an attempt to place "hot top" outside the basement doors leading to the playground in order to reduce the amount of water, sand, and dirt now being tracked into the building and wearing out of the paint and tile. A ceiling in the kitchen at a small cost would reduce the chances of dirt falling into the food and on the tables. Miss Ruth Cutter of the State Department has made this recommendation for the last two or three years. Also, to reduce the noise and confusion which is always present with large groups of children, acoustical tile ceiling in the corridors would be a very worthwhile project which could be extended over a period of two or three years.

At the time of writing this report the controversial subject of tuition pupils is claiming a large share of the time and ingenuity of school boards, parents, and educators.

Statements have been published attributed to the Mayor of Manchester to the effect that all tuition pupils to Manchester schools will be refused admission beginning with the class entering next September. Deerfield sends ten children to the Manchester schools. If this outlet is closed, there are three alternatives — Coe-Brown Academy, Raymond High School, and Pembroke Academy. Undoubtedly any of the three would have room for the Deerfield children. However, Candia is in the same situation and should this problem persist, Candia might send from 20 to 40 of her children to Raymond. At the present time Raymond can handle about 20 more pupils. Therefore, it would be well to explore the possibility of the Cooperative School in the immediate area because unless Raymond builds to meet the tuition growth, most of the Deerfield children would be forced to go to Coe-Brown Academy or Pembroke Academy.

It has been a good year. May I again thank the Board for its help and even with the changing personnel, continued progress has been made.

Respectfully submitted,

MURRAY H. WATSON,
Superintendent of Schools.

TEACHERS

Explanation of Purchases Under Item Numbers

Items 1, 2, 3, and 4 are self explanatory.

Item 5, includes expenditures for travel, telephone, and for supplies of materials used for administration as well as freight and cartage thereon. The usual supplies are ink, carbon paper, printed forms, vouchers, ledgers and other materials which once used are actually consumed, or do not last more than five years.

Item 6, includes teachers' salaries, plus withholding tax, retirement, Blue Cross, etc.

Item 7, includes cost of books for pupils, cost of films, film strips, pictures, charts, maps, photograph records, sheet music, globes, small musical instruments, and other instructional aids that last more than two years.

Item 8, includes workbooks, tests, chalk, ink, pencils, pens, fasteners, carbon paper, rubber stamps, typewriting supplies, magazines, newspapers, etc.

Item 10, includes diplomas, expenditures for graduation, speakers, repair and replacement of maps, reference books, flags, flag ropes, flag staffs, rentals of instructional materials, testing services, travel, and telephone service, and freight and cartage on the same.

Items 11 and 12 are self explanatory.

Item 13, includes light bill, janitor's supplies; for example, electric light bulbs, toilet supplies such as soap, paper, towels, sweeping compounds, brooms and mops.

Item 14, includes painting, replacing broken windows and all repairs to mechanical equipment such as plumbing, heat, light, ventilation, and repairs to pipe lines, and heating plants. It includes repairs to equipment not built into the building such as desks, chairs, projector, etc. Also includes all labor not performed by regular custodial staff.

Item 15 includes all expenditures for medical, dental, and nurse service in the nature of inspection, first aid, weighing, etc.

Items 16 and 17 are self explanatory.

Item 18 is the hot lunch program.

The balance of the items are understandable, with the possible exception of Item 23, which includes portable blackboards, bookcases, chairs, desks, filing cabinets, refrigerators, etc.

RUTH B. PENNELL,
RALPH N. CHASE,
LEONARD T. BURRITT,

School Board.

AUDITOR'S CERTIFICATE
